MUET FM 92.6

VOICE OF MY MEHRAN

An Initiative of
Telecom Engineering Department

Date: 7th July 2025

This is to proudly certify that

Mr. Muhammad Anees

a student of **BS Artificial Intelligence**,
Mehran University of Engineering & Technology, Jamshoro,
has successfully completed his

6–WEEKS SUMMER INTERNSHIP

held from **15th May to 30th June 2025**.

During this program, he designed and developed web portal of MUET FM and also was actively engaged in the learning and practical exposure to **studio operations**, **radio equipment, mobile journalism**, and **pre-to-post production techniques**.

He demonstrated creativity and confidence by **content management and program production** for MUET FM 92.6 day-to-day schedule to enhance the reach and impact of the campus radio.

His commitment, teamwork, and enthusiasm towards assigned tasks were commendable, reflecting a high standard of professionalism throughout her fellowship tenure.

We appreciate his valuable contributions and wish him the very best in all future endeavors.
